

## **IMPORTANT INFORMATION FOR INDIVIDUALS APPLYING FOR REGISTRATION THROUGH THE INTERNATIONAL ROUTE**

From 6 May 2022, the international applications paper form will no longer be accepted by our team (with the exception of a small number of cases). Instead, we will have an online application system through which you'll need to enter your details and upload your documents to apply.

When it is live, the online system will be accessible from the International Applications section of our website:

[www.hcpc-uk.org/registration/getting-on-the-register/international-applications/](http://www.hcpc-uk.org/registration/getting-on-the-register/international-applications/)

There are a number of exceptions, who will need to apply using a paper form. This is you if:

- You have refugee status
- You require a paper form for accessibility needs
- You are a Swiss citizen applying through the Swiss Mutual Recognition route

If this describes you, please see the international applications section of our website for information on how to apply.

If you are an international applicant applying by paper form, please make sure your application reaches us before 6 May 2022. We'll review it according to our standard service levels.

If you require support with your application, please contact our Registration team using the details on this page: [www.hcpc-uk.org/contact-us/registration](http://www.hcpc-uk.org/contact-us/registration)
