Enclosure 6

AC/Paper 6/04

APPROVALS COMMITTEE

**Approvals
New Approvals**

**From: Cathy Savage
Education and Training Department**

FOR DISCUSSION/APPROVAL

Executive Summary

Approvals

New Approvals

The Committee is asked to consider the scheduling of new approvals, bearing in mind that visitors will not be fully trained and operational until late July 2004.

The Executive has received a number of requests from Higher Education Institutions (HEIs) and other education providers for approval events from September 2004.

The Committee is requested to make an appropriate recommendation to the Education and Training Committee.
