

Executive Summary and Recommendations - Sanctions

Introduction

Article 29 of the Health Professions Order sets out the orders that can be imposed by the Health Committee and the Conduct and Competence Committee. The attached practised note has been revised to include further guidance on the drafting and review of conditions of practise orders. The Health Committee approved the practice note at its meeting on 22nd September 2004

Decision

The Committee is asked to approve the attached practice note and recommend that Council do the same
