

Executive Summary and Recommendations
Education Department
Council Meeting
13 September 2005

Introduction

At its meeting on 12th May, Council considered an application for regulation submitted by the Institute of Maxillofacial Prosthetists and Technologists (IMPT) on behalf of Maxillofacial Prosthetists and Technologists. IMPT had met nine out of the ten criteria against which it was marked on the MaxFax scoring sheet and was invited to give a presentation to Council at its meeting on 7th July. The meeting was cancelled due to the high security alerts and unfortunate sad events that occurred in London that day and their presentation was re-scheduled for this meeting.

Decision

The Council is requested to:

- Make a recommendation to the Secretary of State for Health regarding the Institute of Maxillofacial Prosthetists and Technologists (IMPT) for regulation by the Health Professions Council.
