

Council Meeting – 20 May 2009

Partner Recruitment

Executive summary and recommendations

Introduction

In order to accommodate the assessing of CPD (Continuing Professional Development) profiles a further eight applicants have been offered role of CPD Assessor; two Orthoptists and six Paramedics.

Offers have been made to applicants regarding the roles of Panel Member, Visitor and Registration Assessor for the Practitioner Psychologists in preparedness for the opening of the new register in July; twenty-four panel members, nineteen visitors and twenty-one registration assessors.

And finally, due to an increase in workload, offers have been made to eight applicants with a view to filling the position of Panel Member; six paramedics and two arts therapists in the music modality.

A break-down of the applicants for whom we are seeking Council approval can be found in Appendix 1.

The HPC advertised for these roles externally as appropriate in addition to the HPC website and In Focus newsletter. All applicants have gone through the full recruitment and selection process with two satisfactory references received.

Decision

The Council is requested to formally approve the recommendations set out in *Appendix 1* to appoint these people as partners.
