

Education and Training Committee – 11 June 2009

Health and Character Declarations

Executive summary and recommendations

Introduction

This paper is intended to provide the Education and Training Committee with an update on Health and Character Declarations that have been received by the HPC. Panels are currently meeting 6 times a month, an increase from 4 a month since April 2009. There are now 2 panels a month for Chiropodists, Operating Department Practitioners, Occupational Therapists, Paramedics, Physiotherapists and Radiographers. This is to manage the higher number of declarations received compared with other professions and to keep waiting times for applicants to the Register to a minimum.

Decision

This paper is for information only. No decision is required.

Background information

The Health and Character policy approved by the Council in December means that some drink-driving and juvenile conviction cases are no longer required to be referred to Registration panels, but can be signed off administratively.
