**Further comments**

Comments from the External Examiner for 2007-2008 regarding the programme were included in the documentation but no formal External Examiner's Report was provided for this academic year. Although the visitors acknowledge the fact that the education provider did not provide a full External Examiner's Report for 2007-2008 due to the change of External Examiner and change of the course, the visitors would like to draw the attention of the education provider to the fact that in the future, full External Examiners' Reports and response to the External Examiners' Reports will need to be provided for both relevant academic years as requested for audit submissions.
