

## Education and Training Committee Panel

**Programmes which have submitted their consent and for which the withdrawal of ongoing approval status is recommended.**

**Date of decision: 27 March 2014**

**Panel: John Donaghy (Chair) Joy Tweed  
Mary Clark-Glass Elaine Brookes**

### Guidance for Panel Chairs

The Panel withdraw approval from closed programmes to ensure education providers cannot not re-establish training programmes which lead to HPC registration.

The Panel must reach its decision on the basis of the evidence put before it, in the form of the evidence provided by the Executive and any observations made by the education provider.

The recommendation of the Executive is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

<b>Decision:</b>		
That the programmes listed below, which have submitted their consent, have their ongoing approval status withdrawn.		
<b>Reasons</b>		
The Panel is satisfied that the programmes listed below have closed, or are closing. These programmes either have no students, or have students but are no longer recruiting additional cohorts.
