

Education and Training Committee Panel

Programmes which have been subject to major change and for which an approval visit is recommended.

Programme name	BSc (Hons) Healthcare Science (Audiology)
Education provider	University of Southampton
Mode of delivery	FT (Full time)
Assessment ref	MC04060
Date of decision	24 April 2019

Panel: Stephen Wordsworth (Chair) Sonya Lam
Maureen Drake Penny Joyce
Luke Jenkinson

Decision
That the programme has been subject to major change and that an approval visit is required to determine how the programme continues to meet the Standards of education and training (SETs).
Reasons
The Panel agreed with the conclusion reached by the visitors through the major change process that a visit is required to ensure the SETs continue to be met. A visit provides the most effective opportunity for the education provider to demonstrate how all the SETs continue to be met. This process will also provide visitors with the evidence needed to make further recommendations to the Panel regarding the ongoing approval of the programme. The visit should be held along normal timescales and should involve a full review of the programme against all the SETs.
