5 AUDIT COMMITTEE

- 5.1 Sandy Yule reported verbally on the meeting that had taken place earlier that day and whose minutes would be reported to this Committee at its next meeting.
- 5.2 The Terms of Reference of the Audit Committee, which had been previously circulated, were discussed. It was AGREED that the word "Other" should be added to form a revised 1.1 (ii) - Key Financial and Other Risk Identification. Whilst the prime role of the committee was to deal with financial matters, the remit might be enlarged to cover other matters, entirely at the discretion of the Finance & Resources Committee.
- 5.3 The Standing Orders of the Audit Committee, which had been previously circulated, were discussed. It was reported that the Standing Orders were to be amended to eliminate references to public meetings in paragraphs 30 and 36. There was also a minor spelling mistake to correct. Subject to these changes, the Standing Orders were AGREED.
- 5.4 BDO Stoy Hayward had tabled a paper which listed the 12 major financial risks which would have a significant bearing on the external audit work they would be undertaking. This would be appended to the Committee minutes. It was noted that they would commence their audit work on 22nd April 2003 and that audited draft accounts would be produced by 20th May for review and approval. Subsequent ratification by Council was anticipated at its meeting on 4th June.
- 5.5 It was noted that Internal Audit work would take place in the summer.

6 RISK ASSESSMENT

- 6.1 Marc Seale presented his paper, which had been previously circulated. The organisation would review risks annually.
- 6.2 It was recommended that the auditors should review the statistics that the Chief Executive puts to Council Meetings and verify that they were correctly drawn up.
- 6.3 It was agreed that ensuring tendering procedures were in place should be added to the risks and that risk 4.6 should be amended to delete "Appropriate compensation package in place".

- 6.4 It was noted that a Disaster Recovery Plan would be put to Council in about two months' time.

ACTION: MARC SEALE

- 6.5 It was AGREED that the amended paper was approved to form the basis of HPC's submission to the Privy Council in approximately two weeks' time.

7 COUNCIL, PARTNERS AND STAFF EXPENSES

- 7.1 The Secretary tabled proposals for Expense Policies for Council Members, Partners and Staff.
- 7.2 The Committee requested that a separate policy document be prepared for Medical and Legal Assessors.
- 7.3 The President was concerned that the attendance allowances shown should be maximums rather than a stated sum. It was agreed that as fees had been advertised, then it was not possible to make such an amendment at this stage. It could be revisited later.
- 7.4 The proposal to introduce a Childcare Allowance of up to a maximum of £30 a day, subject to receipt of an invoice was APPROVED, subject to the allowance being re-titled Care Allowance and also cover other situations, e.g. care of aged dependents.
