

HEALTH PROFESSIONS COUNCIL

Finance & Resources Committee 23rd March 2005

7 – VAT ON ATTENDANCE ALLOWANCES

EXECUTIVE SUMMARY AND RECOMMENDATIONS

INTRODUCTION

The Council referred the minute of the last meeting back to the Finance & Resources Committee. Various members of Council contend that she should charge VAT on top of their attendance allowance rather than accept that it part of their allowance.

Advice is being sought and will be brought to the meeting. In the meantime the Committee is asked to consider the background papers attached.

DECISION

The Committee is asked to:

Define the course of action it wishes to recommend to the Executive.
