

Executive Summary and Recommendations – Opinion Leader Research

Introduction

A group of panel members were convened on the 20th August to discuss the evaluation of the HPC fitness to practice hearings process. The finding from the session is attached. OLR undertook an evaluation of the fitness to practise processes at the start of the year and will be launching a revised version of the questionnaire at the Partner Conference on 23rd and 24th September 2004. The Fitness to Practise team will be using the outcome of the questionnaire and the attached evaluation to review fitness to practise proceedings.

Decision

The Council is requested to note the document. No decision is required.
