

# **Regulation, employment and disability**

Jonathan Bracken, Bircham Dyson Bell

## **Executive Summary and Recommendations**

The PLG is asked to discuss and to note this paper, which sets out the framework for decisions made about registration with the Health Professions Council.

## **Introduction**

When discussing disability, health and registration, there can be confusion between the idea of 'fitness to practise' and 'fitness to work'. This paper is to add to understanding and background knowledge in order to aid the drafting of guidance.

## **Decision**

This paper is for information.

## **Background information**

None

## **Resource implications**

None

## **Financial implications**

None

## **Background papers**

None

## **Appendices**

None.
