

## **Executive Summary and Recommendations**

### **Meetings with Professional Bodies**

#### **Introduction**

At the July meeting of the Registration Committee, Registration Managers were recommended to meet with Professional bodies to update them of the new processes in operation at HPC

This paper is provided as an update to the Committee.

#### **Decision**

The Committee is requested to note the document. No decision is required.

#### **Background information**

A monthly report to the Registration committee from Registration Managers will update the committee of appropriate groups who have been updated on the new HPC registration Process.
