

Welsh Language Scheme Annual Monitoring Report

1 October 2021

1.1 This document provides the Welsh Language Commissioner with requested information about the implementation of the HCPC's Welsh Language Scheme.

1. Background

2.1 We launched our Welsh Language Scheme (the Scheme) in 2011. Since then, we have completed nine implementation reports on the Scheme for the Welsh Language Commissioner's attention.

2.1 We have adopted the principle that in the conduct of public business and administration of justice in Wales, we will treat the English and Welsh languages on a basis of equality. Our Scheme sets out how we give effect to that principle when providing services to the public in Wales.

1.1 During 2020-2021, we have continued to implement the provisions of our Scheme. This included:

- considering the needs of Welsh speakers in the continuing development of our website,
- Assessing updates to policies against our Welsh Language Scheme,
- raising awareness amongst employees of our obligations under the Scheme through internal communication and the development of new e-learning modules for staff.
