

The standards of conduct, performance and ethics have been updated

These 10 standards make up the **ethical framework** in which all HCPC registrants must work. There are also updates to our **guidance on social media**, which sits alongside the standards.

1 Promote and protect the interests of service users and carers

Updated

2 Communicate appropriately and effectively

Updated

3 Work within the limits of your knowledge and skills

Updated

4 Delegate appropriately

5 Respect confidentiality

6 Manage risk

Updated

7 Report concerns about safety

Updated

8 Be open when things go wrong

Updated

9 Be honest and trustworthy

10 Keep records of your work

Updated

Guidance on social media

www.hcpc-uk.org/standards

It's every registrant's responsibility to make sure they're familiar with the changes and meet the standards.
